 NATIONAL OCEANOGRAPHIC DATA CENTER  
 RECORDS SECTION  
 ROCKVILLE, MARYLAND 20852

FORM APPROVED  
 O.M.B. No. 41-R2651

This form should accompany all data submissions to NODC. Section A, Originator Identification, must be completed when the data are submitted. It is highly desirable for NODC to also receive the remaining pertinent information at that time. This may be most easily accomplished by attaching reports, publications, or manuscripts which are readily available describing data collection, analysis, and format specifics. Readable, handwritten submissions are acceptable in all cases. All data shipments should be sent to the above address.
