

9800083

Subject: Request for accession number

Date: Mon, 29 Jun 1998 14:57:26 -0400 (EDT)

From: fmitchell@nodc.noaa.gov (Francis Mitchell)

To: dhamilton@nodc.noaa.gov

Doug: Please assign an accession number for the monthly shipment of drifting buoy data from NDBC (MAY 1998).
This is one (yes one) buoy and 26,568 bytes via FTP.
It would appear that the TOGA money has "run out";
There is no Toga notation. According to NDBC, they only acquire those drifters where there is money to do so.
