Subject: RE: Clarification of FLoSEE data release plan

> Sharon,

>

> You have permission to release the FLoSEE CTD and NRDA water sample

> data (i.e., sample logs for ONLY the water samples--not the MOCNESS

> tows or benthic samples collected with the JSL), as well as photos

> of the GPS (position, date and time) sea state, CTD rosette and CTD

> processing screens and graphs.
