**Lead principal investigator(s):** \_\_\_\_\_

**Data management POC:** \_\_\_\_\_  
(name) (email)

**Projected number of datasets to produce:** \_\_\_\_\_

By accepting funding from the NOAA Ocean Acidification Program (OAP) for the above project, I (or we) will comply with the OAP data management requirements, in compliance with the NOAA Plan for Increasing Public Access to Research Results (PARR), as below:

1. Any data generated from OAP funded projects shall be submitted to National Centers for Environmental Information (NCEI) through its Ocean Carbon and Acidification Data System (OCADS) Project.

[If your project will not generate any data or the data will be published elsewhere, please be sure to fill out the waiver form, i.e., Form 300.]

2. The deadline to submit your data will be: \_\_\_\_\_  
(two years after the end date of your project)

[If a peer-reviewed paper using the data will be published before the above deadline, your data will be due before your paper is published.]

Failure to meet the above OAP data management requirements could lead to delayed transfer of your OAP funding, and being sanctioned for future OAP funding opportunities.
